

Geoff Neal Litho - Environmental Policy

It is the policy of GEOFF NEAL LITHO to provide goods and services within an environmentally sound framework.

To ensure that this is achieved consistently and efficiently, we operate an Environmental Management System, which meets the requirements of ISO 14001.

Our policy is to: -

- ✓ Maintain our certification to ISO 14001.
- ✓ Maintain an Environmental Management System, which provides the framework for setting and reviewing our Environmental Policy, Objectives and Targets and for monitoring and continually improving environmental performance.
- ✓ Meet and where appropriate exceed the requirements of relevant legislation and regulations.
- ✓ Implement procedures to detect and where possible prevent pollution through accidental emissions and effluent discharges.
- ✓ To monitor all purchases and supplies of paper and board to ensure that the pulp has come from sustainable forests and that no chlorine has been used in the manufacturing process.
- ✓ Reduce waste and the consumption of resources (materials, fuel and energy) and ensure unavoidable waste is recycled, reused or recovered, where possible, or disposed of responsibly.
- ✓ Encourage and support, through training, all staff to understand the environmental issues affecting the company and to take responsibility for their actions and those of the company.
- ✓ Monitor and where possible to reduce the impact of our activities on the local and general environment.
